

Investment Banking Services Price Index, 2025

Released at 8:30 a.m. Eastern time in *The Daily*, Monday, April 27, 2026

The Investment Banking Services Price Index (2017=100) is now available for 2025.

Note to readers

The Investment Banking Services Price Index is an annual release. The index collects prices for underwriting activities that are used to measure price movements over time in the investment banking industry.

With each release, data for the previous year may have been revised. The index is not seasonally adjusted. Data are available at the Canada level only.
